Dear \_\_\_\_\_,

The Brethren Nutrition Program received your contribution of \$25.00. Your contribution is greatly appreciated. That money will be used to feed our lunch guest which is normally between 80 and 120 people a day. I want you to know that all donations of any size help us provide a nutritious meal to the homeless and those whose fixed income is barely enough to survive. The Soup Kitchen functions largely on contributions and volunteers. Your contribution will make a difference.

Thank you and GOD bless,

Alvin Mason
